

How to get to Warabrook Centre For Aged Care

Starting August 2010 - new meeting venue for
the Newcastle Berean Bible Study group.
Monday evenings at 7.15pm (earlier start time).

- From Pacific Hwy (Maitland Road), turn at the lights into Warabrook.
- At the roundabout, turn left into Casuarina Circuit (the Centre For Aged Care is now on your left).
- Turn left at the first street (also called Casuarina Circuit) and drive into the main entrance, which is just after the bus stop.
- Parking should be available on site.
- The building with the meeting room is on the left as you enter the grounds.

To get to the meeting room:

Enter the main building entrance (you will have passed this building on your left as you drove into the grounds). The main doors are locked after business hours, but someone from the group should be there to let you in. BBFA signs inside will direct you to the room.

Please try to arrive by 7.15pm if possible.

If you are running late and no-one is attending the door, try ringing either David Tavender on 0418-628-143, or Janelle Tavender on 0438-633-714.

Note for non-regular attendees - Please call one of the numbers above if you plan to attend. This will really help us 😊.
