

BBFA Conference 2013

Bethshan, WYEE NSW

21st—23rd September 2013

HOLY
BIBLE

Exploring the open Word, rightly divided

Plans are well underway for the 2013 BBFA conference again being hosted at Bethshan Conference Centre on the Central Coast. We look forward to seeing you once again and encourage those who have not attended in the past, or who may be new to our group or publications, to consider joining us this year for a wonderful time of learning, fellowship and blessing. The details for attendees remain the same as in previous years regarding what to bring with you for your stay: sheets, pillowcases, sleeping bag if preferred, bath towels, personal toiletries, and Bibles and note-taking materials are vital. This year our triennial general meeting will be held on Sunday morning and we would encourage all to attend although voting is restricted to members. Every third year a new committee is elected and this year marks an important point as office bearers may only serve, in the same role, for 2 consecutive 3 year terms and we ask for your prayers for the committee and the responsibility they have to oversee the business side of this important work. We also ask for your consideration to what you may have to offer in your service for the Lord through the work of the BBFA. The work is far from onerous and does not involve much time and, in this electronic age, most meetings are done online. Please consider.
